

Dearest - The thing that
really matters is the History
we are seeing unfolded before
our very eyes —
get the shivers with the world
consciousness — and the nearness
to victory. It is like watching
the birth of a new world — and
the death of Hitlerism —

I miss talking over these days
with you — pouring over maps
etc. — What days they are. — how

To see that They Follow Through

Bless you - dear heart -
thank you again for your kind
assurances of peace - and
home sweet home.

h.
