

John dearest -

I have almost an inspiration -
Graces Kurt as you know are
looking for a place to work
in the summer - ~~I thought~~ and
to live all year - how about
New Ipswich? Charlie's house?

There they have the
theater and everything.

I think if they rent their
house here they might be
able to pay \$100 a month
by the year with possibility
of buying it if they can sell
here and he would consider.
Call Charlie - and tell
him all - It looks like a natural. }
