

Dearest One -

Welcome home to our
Beloved 1040! Here, almost more
than anywhere else, I feel the
sanctuary of Home - its blessed
protection and peace. It is
all here waiting for us, when
we return to it - which
won't be long.

I will see you in
such a few days - and
we can once more take stock
and see which comes first -
The words or the music?

God bless you, my
own dear husband - the
very walls here speak
to me - and for me.
