

Clubs - Hotels and Town's people are
interested in the new edition -
people here from Macon where
Lanier is the pub'l's idol - (two
schools named for him - public
hol. day on his birth day and
everything) They are interested also.
Do you see we are off on the
right foot. All except me and
photographically speaking I have
not had the breakers - however we
shall do the best we can.

No mail in this town on Saturday
or Sunday - so I don't know where
you are this glorious morning
probably N.C. - I'll wish you were
here. Porty misses you too - we swing
along these old roads to - gether - both
missing you. The old imagination
is very busy - sometimes

in spite of myself - and sometimes
very deliberately together!

Now I must write my young things -
bless their hearts - hope their young
dreams come true -

I will try to make ^{things} it Wed night -
but doubt whether it is possible
with stops for visits - anyway
as soon as possible - any place is
sweet to look forward to when we are together -
I miss you dear - in all the beauty of the world -
I want to pick it up and bring it all to your
lap - feel your hands on my head -
Bless you dear - I touch your face
with wind fingers this morning
and send you a special song in
my heart - Always

forgive bed-writing - or knee-writing, which is it?
