NELL DOOR

My own dear one. all the day I have carried
a new and delicious happiness and
peace. I feel well and strong and
full of hope. We have found together
what my heart was crying for - let us
guard it - and cherish it a love
all else - for it is the tie that binds.

So good night - we
shall walk forward to-gether - " in
that sweet secret of the narrow way -
seeking and finding - with
the angels sing - So, I am with
you alway - watch and pray."

So will we - and our
abiding place will be a place of
love and a blessing to all who enter -
