

MR. AND MRS. JOHN VAN NOSTRAND DORR

Dearest - This is us - Mr. & Mrs.

Best Love Tie That Binds

~~TEN HUNDRED AND FORTY~~
PARK AVENUE

Johnell.

John Darling -

This business of parting is not
a sweet sorrow - but a physical as
well as spiritual wrench. But
"Johnell" is never apart! we have
had our greatest distance when we
were together — never when
we were separated. This should
prove something - and it probably
proves that distance is not separation.

I feel the bond more strong as
our paths separate. You know the
line:

"Vessels large may venture more -
but little boats should hug the shore".

Well, we are vessels large - and
need not fear the open sea. The
North star is over us —
and underneath are the Everlasting
arms.

God bless my John - give
him the spiritual guidance through
the night. Ever yours M
