happy - we are - All around I think it will be sort of a "happy family"

You are the only man I've ever known whom I'd want mother to marry, and I really want you to.

Thank you again and again.

Always love,

Bets.

My dearest Peter,

Your sweet letter arrived yesterday. I did so enjoy hearing from you.

About your plan of going into business with Mrs Holz, I would love to do it but she does not own the store but works on a straight salary - so I could not do anything in that respect.

Mildred and I are figuring on a book and I am shot up there but

our own Expences for the Summer.

You were a darling to want to help me and Even tho' I dont go with Mrs Hale I may call on You for advice about this other thing.

I am so very happy for You and Pooh and so pleased what her choice was now. You will be so happy I know - and if Pooh is we are finding out prices costs etc before we do anything definite.

If this is a sound business proposition as it sounds now - I will write all details to You.

It would be all Commission Basis - & no Expenses except rent. Then (Your people) would keep us in stock etc. We are trying to find out rents etc to see if we could at least clear
