Dear Mrs. Siebert:

Mrs. Dorr, who is out of town at present, has asked me to thank you for your letter of February 23rd.

She will be most happy to make a print of her movie "The Golden Key" available to you for a showing on October 11th, 1958. The cost per showing is \$35.00, plus postage.

In regard to the equipment you need, Mrs. Dorr suggests that you contact your local Eastman Kodak agent. You need a 16 m/m projector and a thoroughly good screen, as well as a professional (not an amateur) to run it. I am sure Eastman Kodak can give you all necessary advice on this. As you know, it is a 16 m/m sound in color and its running time is approximately 25 minutes.

Please let me know in due time whether you wish the print to be held available for you on October 11th, and also where you wish it to be sent.

Sincerely,

(Mrs.) Tine Everhard
