Dear Mrs Dorr,

Through my good friend Mrs W.P.Wreden of San Francisco,I have learned of your beautiful movie "The Golden Key". In Western New York we have three clubs of United Federation of Doll Clubs and are planning a joint meeting in Rochester for Saturday October 11th 1958. We would be very interested in renting your Movie for this occasion if it will be available.We plan to have the meeting at our Bausch Museum of Arts and Sciences and are willing to have the Museum visitors also see the Movie if the Museum so desires. The expense of renting it to be paid by our three clubs.

I would appreciate hearing from you on this subject and would like to know not only the rental cost but also what equipment will be necessary for its showing.

Sincerely,

Marjorie M. Siebert
