

March 17, 1958.

Dear Mrs. Everhard:

I have received your letter in regard to our Doll Club renting the film of " The Golden Key " to be shown at our meeting on May 17th. which will be held at the Henry Peabody School, Nichols Street, Norwood, Mass. for that is where we hold our May meeting.

The principal of the school is one of our nice members and she said to send the film directly to her at the school and she will take care of it for us and will return it back afterwards, in that way it will not have to be carried around and brought from one place to the other, they have a movie projector there so that will be fine.

I would of answered your letter sooner only I had to bring it to our meeting which was last Saturday and tell the members that we could have the film for we were not sure. They all agreed it would be nice to see it. I am sending the letter on to our Treasurer and she will send you a check for she was not at the meeting Saturday on account of the bad storm we had.

Will you please see that we get the film in time for May 17th. and I am sure you will receive the check long before then.

Thanking you very much.

Sincerely,

Mae Connors

Please send film to

Mrs. Blanche Kingsbury,
Henry Peabody School,
Nichols Street,
