Dear Mrs Everhard,

Our club will be delighted to have the movie "The Golden Key" for October 11, 1958. You may send this to me at the above address and also the bill. Our meeting is to be held at our Museum here and we have found out that they have the proper equipment and also a man to run it for us. I, of course will be responsible for returning it to you promptly.

Thank you for your prompt reply to my letter.

Sincerely,

Marjorie M. Siebert
