Mr. Covington Hardee

Dear Mr. Hardee:

I am Glenn's Executive Secretary, and a very fortunate gal to be so, I am. He is a super person. I only work for "super" persons.

On Glenn's desk I saw the TV WEEKLY with your photo and the article, and I asked Glenn if I could read the article. Jane and I gave a mutual friend a birthday party recently, and I had the privilege of seeing your's and Joan's book. To say that I was and am still deeply moved, motivated to continue doing what little I can in this short span here for the good of my fellowman, are certainly understatements.

Thank you for making it possible for those of us who truly care about people and precious life to share the beauty of Joan's world. You have got to be just as great a person as Glenn and Jane say that you are. I don't doubt that you could "Save New York", but I know that you are doing more important things....being yourself, making the best of each day of life, and giving of yourself to others.

I hope to meet you someday.

Sincerely,

Nita

(Mrs.) Nita Lineberger
