Dear Cuz:

Dorothy joins me in extending our hearty felicitations to Diana and to you. We wish to express, also, our devout wish that the years ahead may be full of happiness for both of you.

I want to thank you for the beautiful volume of photographs with the wonderful inscription in memory of your wife. Truly, the volume is a thing of beauty, eloquently expressive of the high ideals which comprise the personality of Cuz Hardee.

With warm regards, I am,

Sincerely,

Mr. Covington Hardee
