July 10, 1976 Personal

Dear Crowley

You are so kind to send me that Polly etc. It beautifully portrays a beautiful and courageous personality.

Your life, I think, enriched the lives of others, she had the gift of knowing how to make those around her happy. That is one of the greatest gifts of all. She left a wonderful heritage for those she loved.

I appreciate your thoughtfulness in sending me this gift and I shall treasure it.

Affectionately

Eleanor G. Rowland
