Dear Ray -

It is hard for me to tell you how loved Dot and I are to be included in the list to receive LIFE DANCE -

Perhaps I can explain by saying that at the beginning of our marriage, we both read a book that had been given us entitled "AN AMERICAN DYK" - a story of a happy marriage broken by death. The book has long since been loaned and not returned but it

has never been forgotten
because we knew then
that despite troubles and
disagreements and heartaches,
there could be a beautiful
bond between two humans.

Both of us said - "There
it is again" when we
read LIFE DANCE.

Thank you for
sharing it with us -
Nedra
