Dear Mr. Hardee:

Fred Dávila was kind enough to show me his copy of Life Dance, and I feel obligated to say that it brought tears to the eyes of everyone in my family. Though we never had the honor of meeting your late wife, we now feel as if we know her and we thank you for sharing such a beautiful remembrance with all of us.

I was hoping to see you during your visit last week in order to convey my sentiments personally but regret that our paths didn't cross.

Cordially,

Joseph M. Murray
President
