Dear Mrs. Dorr:

As you know, the International Exhibitions Foundation will be circulating the exhibition, "Recollections: Ten Women of Photography," following its New York showing at the International Center of Photography. A nationwide tour is being arranged to begin in January 1980 and I enclose a copy of the itinerary listing those museums who have confirmed bookings thus far.

We are extremely pleased with the popularity of the exhibition and hope that you will agree to the loan of your photographs for the entire tour. Enclosed is our customary loan agreement form, which merely requires your signature. Unless otherwise indicated by you, the Foundation will carry its own wall-to-wall, all risk insurance coverage for the values listed. Please return the blue copy of the loan agreement form as soon as possible.

It is our pleasure to have the opportunity to circulate this exciting exhibition and we look forward to hearing from you very soon.

Very sincerely yours,

Mrs. John A. Pope
