Dear Mr. Convente:

Thanks for your letter of June 21 giving us your estimates on **THE BARE FEET** for either a total of 80 or 84 pages.

This seems to be very much in order, and I will get after Mrs. Dorr to follow through on the schedule as previously agreed.

I look forward to having this book printed at your plant.

Sincerely yours,

Burton Cumming  
Director of Publications

P.S. Since writing this note, I've talked to Mrs. Dorr. She is very anxious to go to 84 pages; and we would also like to go up to 10 1/4 inches on the short side, providing that this can be accomplished at little or no extra cost.

Mrs. Dorr at the moment is planning to provide the copies by July 2. We also agree that a second color should be used on the jacket and on the cover itself.
