Dear Mr. Cumming:

I would appreciate your sending several glossy photographs from Nell Dorr's "The Bare Feet," for possible use as an editorial page series. Naturally, credit would be given the book, publisher, etc., and tearsheets would be sent to you for your file.

In the case of photographic books, we have found this to be more effective than to run a review on our book page. The prints would be returned to you as soon as our cuts had been made.

We have used several of Miss Dorr's prints before, notably the ones included in the "Family of Man" exhibition. She is tops.

Sincerely,

Ann L. Merriman
