Dear Nell:

It was lovely to hear your voice again yesterday after so many long months. Obviously you were your old wonderful, intuitive, sensitive self. Things have been happening, and not just occasionally or in a small way.

I would love to see you and I suppose I shall have to say, fairly soon. A good time might be after the 6th of April.

Jackie is leaving to go on a family visit and reconnoitering grip of her various friends and interests in England, Jersey, Switzerland and last, Spain. This time, alone. But I shall have inevitably more time for things outside the family and business during her absence - about four weeks. Let me give you a call and perhaps we can arrange a specific day and hour.

There is one other publisher, possibly two, whom I would be glad to recommend to you. One is called Walker & Company, 720 Fifth Avenue, New York, N. Y. 10019; and the other, I am pretty sure you know, Sierra Club Books. Sierra is a California outfit but they have an office in New York at 15 East 53rd Street. I know Walker slightly but nobody at Sierra, although I am immensely impressed with the Sierra kind of operation. As you know, they have made some beautiful books out of photographs such as some of the things Nancy Newhall does.

Anyway, this makes three for you to case. I have friends, of course, who could help if anything were needed on your behalf and will be pleased to be of any assitance I can. I do not need to tell you why.

Meanwhile, with love from both Jackie and me, as ever

Affectionately,

BC:emk
