Dear Nell:

Well, you've done it again! Your beautiful book profoundly expresses your faith in that everlasting Hope which man needsto disperse the dark clouds of his despair. In these turbulent times, especially in the light of recent tragic events, your message is appropriate and provides courage and comfort to those of us whose faith may be faltering. The gift of your book, with your thoughtful sentiment, is appreciated, but we appreciate more the priceless gift of your images and words. Our thanks for your thoughtfulness and concern, though not easily expressed in words, are sincerely extended.

With love and affection,

Carl and Concepta
