Dear Mrs. Dorr:

Thank you so much for the beautiful copy of your  
"Of Night and Day," graciously sent to me at the  
suggestion of my friend Judith Hollister.

It is an excellent piece of art with suggestive  
photographs and a meaningful collection of poems and  
sayings. I am sure the book will prove to be a great  
aid to my daily meditation.

Yours cordially,

  
Tetsutaro Ariga
