Miss Nell Dorr
Nettleton Hollow Road
Washington, Connecticut 06793

Dear Nell Dorr:

I will treasure the beautiful book "Of Night and Day." It's particularly meaningful not alone because of the beautiful quality of the photography and the magnificent selections that have been identified with the photographs, but its meaning is in your thoughtfulness and that of Judy Hollister.

You have so many magnificent gifts in what you have done and are doing, and it adds to mankind's treasure of wisdom and goodness.

God bless you and thank you.

Yours ever faithfully,

Lowell R. Ditzen
