WOMEN SEE WOMAN, P.O. Box 220, Radio City Station, New York 10019

25 April 1975

Dear Photographer:

Work on WOMEN SEE WOMAN is progressing full speed ahead! We have a publisher, Thomas Crowell, and we expect that the book will be published in October 1975.

As you may recall, we plan to include brief biographical sketches on all the participating photographers. Our deadline to turn in this copy, along with all other material for the book is May 1st and, although you have sent us your signed permission to your use work, we have not received any biographical information from you.

Please sent this information to us immediately, by return mail.

Many thanks for your cooperation.

Sincerely,

Yvonne Kalmus

P.S. Since I am "styling" the biographical section, it would save time if you send the information directly to my home address:

Again, many thanks.
