Dear Nell Dorr,

I was so happy to meet you, having heard so much about you from Kit and from Erica, and having admired your work for such a long time.

When I returned home that night I reread your book, "Of Night And Day". It turns out that it's inscribed to me by Erica who gave it to me for Christmas in 1972. Small world. It's such a beautiful book.

Here are a few photographs which I hope you will enjoy. I hope we can get together and talk again some time.

With love,

Jill Krementz
