Dear Ms. Dorr:

I am returning herewith the black and white photograph you kindly loaned us for reproduction in a literature textbook.

You already sent your invoice for the use of this photograph on Page 490 of Book 8, EXPLORING LITERATURE by Faye Louise Grindstaff (published by Ginn and Company). However, it turns out that we are going to reproduce the photograph a second time on Page 426 top at less than $\frac{1}{4}$ page.

Would you, therefore, please send another invoice for this second use on Page 426, and please state all of the information above (name of book, author, publisher, etc.) on your invoice. You can make it out to Design Office, but please send it directly to me at my home address on the letterhead.

Thanking you again for your help on this project, and looking forward to receipt of your invoice, I am,

Sincerely yours,

Kay Y. James
