Dear Nell,

I hope that the five cartons of MOTHER AND CHILD arrived safely. We are going to send by truck OF NIGHT AND DAY on Monday the 13th, which means that they should arrive by the 20th or so. There will be 71 cartons of books which will weigh some 3300 pounds. I'm only sorry that we were not more helpful to that cause.

Things really are better here and my spies tell me that you are looking marvellous. Bravo!

Love,

Frederick
