Dear Mrs. Dorr:

This is just a note to tell you how appreciative I am for the opportunity you afforded me to see your beautiful photographs. As I told you during my short visit, I have looked at many thousands of photographs executed by some of the world's best known photographers but yours impressed me so favorably that I can hardly wait to dig into them so that we can have some to reproduce in CORONET.

I imagine by now Miss Margaret O'Brien of our editorial staff has contacted you regarding a personality piece that we would like to have accompany your first reproductions in CORONET.

I'm planning to be in New York next Monday and, of course, will look forward to again having the opportunity to more thoroughly go through your collection. The staff in Chicago are expecting great things and I know that they will share with me the enthusiasm that I have already indicated for your extraordinary ability.

With kindest regards, I remain

Sincerely yours,

David A. Smart
