Dear Mrs. Dorr:

Thanks so much for your note which I received today. I sincerely hope your operation is successful and that you are up again, healthy and strong, in fast time.

I'm glad you liked the little presentation on your first photographs in CORONET. I think Miss O'Brien did a real good job in her description of you and your talent.

I'll be more than happy to accept your invitation to visit you soon.

With kindest regards to both yourself and Mr. Dorr, not to forget your children, I remain

Sincerely yours,

David A. Smart
