Miss Nell Dorr
1040 Park Avenue
New York City

Dear Miss Dorr:

Mr. Smart keeps asking me why we don't run more Nell Dorr photographs and I keep telling him the reason is that we haven't been receiving any lately.

Evidently, the time is at hand for us to do something about it, since you will not.

May we have some more of your excellent pictures? Any time you want to send along a selection will be fine, but the sooner the better as far as we are concerned.

Cordially yours,

Bernard Geis
