Dear Miss Dorr:

As we find various legal questions arising from time to time in connection with the photographs reproduced in Coronet, and in some instances purchased from you, will you be kind enough to give us a statement as to your practice with regard to obtaining written releases or waivers from your subjects? And, if you have regular forms that you use, according to the circumstances or occasion, will you please furnish us with copies of them for our files?

We hereafter propose to take every precaution necessary to protect ourselves in the use of all pictorial as well as literary material, and we trust you will cooperate with us to that end.

Cordially yours,

Bernard Geis
