Dear Miss Sanford:

At the request of Mr. Eugene Troy
we are sending you a 16mm print of THE SINGING EARTH
for a preview. It will be shipped on April 27 and we
will appreciate it if you return it promptly after the
preview since this film is part of our circulating
collection.

If you decide to purchase a print
please contact Mrs. Dorr directly since we do not
have access to the negative.

Sincerely yours,

Margareta Akermark
