Dear Ms. Dorr:

Thank you so much for the note of March 19th received today from Pamela Wheatley giving us permission to use your photograph of the Nursing Mother for the cover of Dr. Helen Caldicott's Nuclear Holocaust we hope to release this spring. I am enclosing our check in amount of One Hundred ($100.00) Dollars to cover your fee for this permission.

As I mentioned when I spoke to you briefly earlier today, we will need a glossy print of the photograph and would appreciate receiving this as soon as you can so that our Art Department can use it for our design.

At the same time I would indeed be grateful for a picture of yourself that I can put on the wall of my office. There are a few photographs over the years of people with whom I've worked and admired: Jean-Louis Barrault and Madeleine Renaud, Siobhan McKenna, Julie Harris, Sonia Delaunay...and one of you would be deeply appreciated.

I should also have some bio notes I can use on the liner of the album about yourself you would want in print. So send those on please with the photo print.

Later in the spring when the weather turns really warm and the daffodils come out I will drive up to Washington one afternoon just to say hello; but of course will let you know days ahead.

Take care of yourself, dear Ms. Dorr.

Ithought you would get a warm smile from these French photo cards at the beginning of the century....

Sincerely yours,

ALK/
