Dearest Nell:

I am writing in my diningroom surrounded by your pictures, they give me such endless joy. They are beautiful, to your critical eye, the printing may not be up to your ususl standards, but to me they look wonderful. The only problem I might have, is the heavy framing. I have been thinking about you alot and there are several things I would like to talk to you about. I have done nothing, as you requested, but would love to talk to you Memorial week-end. I have rented a wing of Ine Laverge's house, which will be wonderful for the children.

I am enclosing a cheque for $50.00 for the month of May, as my lease is up the beginning of June, I would be grateful if I could have my deposit of $400.00 back. I have to confess that I also don't really understand why I have only had one $50.00 cheque returned by Nancy. I know they have trouble making ends meet and David has not been well . . . I'm glad they have turned out to be such wonderful neighbours, I have always found Nancy a beautiful flower child.

ICP would like 10 more "Mother and Child" books, would this be possible?

Much love and I so look forward to seeing you,
