My dear Sir Harold,

Dr. Dorr has asked me to forward to you a
copy of the inscription which Mrs. Dorr has written
in the copy of her book "Mother and Child" which she
presents to Her Majesty, Queen Elizabeth.

Both Dr. and Mrs. Dorr feel you would like to have
this and they send it with their kindest personal wishes.

Sincerely,

We kneel in love before you
and open our hearts for you to read
the common language of Mother and Child.
We bless and honor your name among us.

Faithfully,
