Dear Mr. Dorr:

This will acknowledge with sincere appreciation your recent contribution for which I enclose our official receipt #M 52060. Your continued financial support since "The Howards" were associated with AMMLA has been very helpful in furthering the educational program of the American Merchant Marine Library Association.

The book MOTHER AND CHILD, written by your wife, is very beautifully prepared. You are very kind to offer additional copies of this book and I believe the shore libraries, at each of our port * offices, should be very happy to have a copy in their circulation department. At present we are operating ten port offices.

I would like to take this opportunity on behalf of the Board of Trustees and myself to thank you for your continued loyal support of the program of the "Public Library of the High Seas."

Sincerely yours,

Mildred C. Roosevelt
