

Miss Jackson

COPY OF HAND WRITTEN LETTER

October 22, 1957

My dear Mrs. Roosevelt:

I am enclosing my check for the A. M. . L.
Assn. which brings back to me most happy recollections
of "The Howards".

I am also sending you under separate cover
a book by my wife and would like your thought as to
whether the Assoc. could use a few copies in their
libraries.

It has been much appreciated in many countries
where it has been sent ^{but} by not usually by men.

Sincerely

John V. N. Dorr
