Dear Mrs. Dorr:

I feel a bit remiss about not having returned the enclosed photographs up to now. I cannot thank you enough for the use of them, and you will be pleased to know that quite a few people have written in commenting on their excellence. To my knowledge, seven members of Ann's family have bought copies, and everyone who sees the book at our house is enchanted by it. You must also be complimented in having so many of your photographs chosen for "The Family of Man" exhibit.

I hope that if you and Mr. Dorr are passing through Dublin you will again stop in. Perwe can persuade you to stop long enough to have a meal with us in Peterborough. I would like very much to have you both meet Ann.

Again, many thanks for your help and interest.

Sincerely,

Tony
