

November 10, 1954

Mr. Anthony Anable, Jr.  
Managing Editor  
Yankee Incorporated  
Dublin, New Hampshire

Dear Tony:

Yours of the 8th at hand and I am sending you under separate cover a copy of "Mother and Child." It can be purchased from all bookstores but also, by special arrangement with Harpers, through The Dorr Foundation, 25th Floor, 99 Park Avenue, New York 16, New York. I do not want to publish this address but if you meet anyone you know who would like to buy a copy and you can steer them here, we handle some directly. This gives the Foundation a chance to break even on the next edition. As I know you will appreciate, even after the plates have been paid for, it is hard to market a book as expensive as this to produce, without a loss.

I should be glad to get two or three reprints of your review of the book and also a copy of your article "YANKEE Visits Mother Goose."

I wish you could come up sometime and see us at Hopkinton and I also would like to stop at Dublin and see you and yours.

Sincerely,

John V. N. Dorr

Dictated but not read before mailing.
