Dear Dr. Bauer:

We should greatly appreciate it if you would kindly send us an entry blank for participation in your film festival. The film we have in mind is a 16 m/m sound - in color, concerning dolls and children.

This film was produced by the author of the book "Mother and Child" that was sponsored by The Dorr Foundation and distributed around the world through the United States Information Agency. We are pleased to send you under separate cover a copy of this book in order to acquaint you with the caliber of Mrs. Nell Dorr's work.

We shall look forward to hearing from you.

Sincerely yours,
For The Dorr Foundation

(Tine Everhard)
