c/o Miss Frances Henry
123 Cumberland Road
Bedford, Pennsylvania

Dear Miss Bausch:

I find your card in my folder, together with the name of your 85 year old aunt, but cannot remember a very pleasant encounter we had.

Mrs. Dorr and I are well and just leaving for a short vacation in Jamaica.

I am enclosing two documents, something about the White Line of which I may have told you, and another about the book which we may have shown you.

With best wishes,

Sincerely,

John V. N. Dorr
