

ROYAL FESTIVAL HALL
LONDON SE1

CL/TEB.

15th February, 1957.

Dear Mrs. Dorr,

Please accept my thanks for your full reply to my letter of November 22nd. I am very happy to learn that you are willing to consider providing a print of the photograph for use in the Royal Festival Hall. I think I should prefer a matt finish of a size approximately 15" x 12". We could, of course, arrange to make the frame here.

I am very interested to hear of the film you have made, "The Golden Key". We occasionally have opportunities of exhibiting films (35 mm.) in the Royal Festival Hall and if you have any leaflets or printed matter describing the film, its length, etc., I should be very happy to receive them against the time when the film might possibly be available in this country.

Yours very sincerely,

T. E. BEAN,
General Manager.
