Mr. Edward L. Bernays  
26 East 64th Street  
New York, New York

Dear Eddie Bernays:

We drift in and out of the scenes of life and it seems a long time since we had the pleasure of seeing you and your wife.

I noted in the paper this morning that you had sold a house to Whitney and were remodeling your office for a home which sounds most sensible.

I am sending you under separate cover another book by my good wife that I know will interest you and yours, together with a blurb about it and some comments by various people. If you wish to send the price of it to The Dorr Foundation, do so; if not, take it as a compliment from me.

I enclose with this letter some material about things we have been doing in connection with safety, which should have had more publicity than it has had but which is moving quietly along the path of usefulness.

With kindest regards,

Sincerely,

John V. N. Dorr
