Dear Sirs,

This will acknowledge safe arrival of a copy of Mother and Child, a truly beautiful production. It is the sort of thing that I would like to bring to the notice of our womens' organizations of all races, but I fear that the price of 4.50 dollars will put it outside their reach - in our money that is about thirty shillings.

I do not know who is the donor, and the only clue is a small slip saying it comes because of our co-operation over ' pen pals ', so I must ask you to be so kind as to convey to them our gratitude if that will not put you to too much trouble.

May I conclude by congratulating you on the all round excellence of the book.

Yours sincerely,

Arthur L. Blaxall
