Mr. Thomas A. Bledsoe
25 Beacon Street
Boston, Mass.

Dear Mr. Bledsoe:

Mrs. Nell Dorr, who is a close friend of Erica Anderson, has asked me to write to you in connection with your plans for bringing out distinctive postcards as you discussed with Erica.

Mrs. Dorr was so intrigued by the idea - having always personally felt this lack in America, with the exception of those of the museums - that she would gladly contribute to this aim.

She has a lifetime collection of photographs, covering a variety of people, places and things, and would be most happy to explore the idea with you.

To acquaint you with part of her work, I am sending you under separate cover a copy of her last book "Mother and Child", as well as a copy of an earlier book "In a Blue Moon" (now out of print). Mrs. Dorr is presently out of town, but can be reached either through this office, or at Nettleton Hollow Road, Washington, Conn. (Underhill 8-2917).

Sincerely,

(Tine Everhard)
