Dear Dr. Reisberg:

Thank you for your letter of January 6th regarding the photograph you wish to use in your forthcoming Soundbook on Lullabies. I have ordered a reprint of the desired picture from the Museum of Modern Art which I expect to receive within a few days and will be most happy to send it to you.

Your Book-Records brochure sounds very interesting - a new idea which to me would seem to be full of possibilities. I should very much like to know more about the Soundbook on Lullabies as the mother and child theme is one very close to my heart.

I am taking the liberty of sending you under separate cover a copy of a recently published book of mine, called "Mother and Child" which I hope you will enjoy.

Sincerely,
