6, Rue de Verneuil
Paris 7e, France

My dear Mrs. Boutelleau:

I have your letter of January 7 and will mail to you shortly two copies of "Mother and Child."

When we were in Paris last summer we met some people who felt the book should have a circulation over there. We are now working on a second edition here and have the pictures already made but have not undertaken the binding yet.

Let me have your ideas.

Sincerely,

per est
John V. N. Dorr
