Dear Mr Dorr,

We thank you for your letter of the 4th inst. and the information it contained.

The interest of our handling the book and serial French rights of Mrs Dorr's "MOTHER & CHILD" is that, we are altogether a press and literary agency, being in relation with all the publishers and the biggest magazines where we might be as successful as to have extracts of the book published, even with photos.

But, to make prospection easier, we should be much obliged if you could send us two copies of the book.

Yours sincerely,

  
Jessie Boutelleau.
