Dear Mr. Chambers:

I spoke to you on the phone the other day about reproducing some of the photographs in MOTHER AND CHILD.

We plan bringing out a soft-cover book based on a pamphlet put out by the Child Study Association of America, during the month of November; the book will be published simultaneously in a hard-cover edition by Bobbs-Merrill. Final decision hasn't been made yet, but we might like to use perhaps half a dozen of your photos as spots throughout the book or as chapter introductions or as cover spots.

Proper credit would of course be given your book if any of the photographs are reproduced.

Can you let us know if this would be agreeable? Many thanks.

Sincerely,

(signed) Helen Davidge
