

AIRMAIL

January 13, 1955

Prof. and Mrs. Florencio Eustinza
Medical School
University of Madrid
Madrid, Spain

My dear Friends:

We are sending you under separate cover Nell's book which
I am sure you will enjoy

I am also sending you, enclosed herewith, a story of the book
and something about Nell's photographic history as well as another
project of The Dorr Foundation which is apparently working greatly
for highway safety.

We remember most happily our contact with you and yours.

Sincerely,

John V. N. Dorr
